Charge	Monthly data allowance						
\$75 per month	125GB						
\$85 per month	Unlimited						
Additional Data Charges	<p>Capped naked broadband plans by default have our handbrake service, where if you use all your available data quota, your connection slows to 128kilobits per second until the day your next monthly quota begins.</p> <p>You can choose to have the handbrake service turned off so you continue to receive full speed broadband and you will be charged \$1 for each additional gigabyte used.</p>						
Local Calls	<p>NOW's Local Calling Areas are based on the Number Administration Deed. Please read http://www.nad.org.nz/for-consumers/the-numbering-plan-explained/</p>						
Set Up Charges	<p>If you are transferring from another provider or if this is a new connection, you'll get a free standard connection with a 12-month contract term.</p> <p>In some cases additional install charges may apply. Typically, this is if your house is more than 200 metres from the road.</p>						

Broadband Performance Information

Access Type	<p>Fibre</p> <p>We provide a range of Fibre Plans. Our standard naked fibre plan Fibre 100 provides broadband speeds up to 100 Megabits download x 20 Megabits upload.</p> <p>To help provide guidance, NOW has carried out the testing of broadband speeds when using our NOW Fibre Plans - click here to see the results http://nownz.co.nz/docs/fibreplanspeeds</p> <p>For more information from the New Zealand Telecommunications Forum about broadband speeds and performance click here http://tcf.org.nz/broadbandperformance</p>

Other Information	
Minimum Contract Period	Fibre is subject to a minimum contract term of 12 months.
Early Termination Fee	If you are within a 12-month contract and your service is disconnected prior to the completion of the minimum contract period, you'll be charged an early termination fee of \$199.
Notice period	If you want to cancel your broadband service, you'll need to give us a minimum 30 days' notice.
Other Requirements	<p>You will require a fibre capable router. You can use your own router, or purchase one from NOW from \$150.</p> <p>At home naked broadband plans come standard with a private IP address, for a static public IP address, you must purchase this separately for \$5 per month.</p>
Traffic Management	We may use traffic management policies to make sure that the available bandwidth on our network is shared equally and proficiently between all users. In certain instances traffic may be prioritised so that general web-browsing, real time applications like Skype, online games and streaming video services perform to optimum standards.
Acceptable Use	Please see our Acceptable Use Policy at www.nownz.co.nz/terms
Effects on other services	Your naked broadband service requires power to operate. If power is not available (e.g. during a localised power outage) the broadband, and any services which run over it, may stop working unless you have electricity backup in your home.
Other charges	<p>You can upgrade our standard naked broadband 100 Megabit download x 20 Megabit upload fibre plan to the following:</p> <ul style="list-style-type: none"> • Up to 200 Megabits per second download x 100 Megabits per second upload speed for an additional \$30 per month • Up to 900 Megabits download x 400 Megabits upload speed for an additional \$50 month
Disputes	<p>NOW is a member of the Telecommunication Dispute Resolution scheme www.tdr.org.nz.</p> <p>More information about making a complaint can be found on our website at www.nownz.co.nz/complaints</p>

All NOW prices quoted are inclusive of GST.
